Dear Interested Party,

The final, signed Decision Notice and Finding of No Significant Impact (DN/FONSI) for the Barnyard South Sheep project is available on the web (or enclosed). I have decided to proceed with Alternative 2 that consists of watershed improvements and timber harvest within the Barnyard South Sheep project area that is located on the North Fork Ranger District of the Nez Perce-Clearwater National Forests. Since this project has completed the objection process pursuant to 36 CFR 218, it can be implemented immediately.

For further information or copies of the DN/FONSI, contact George Harbaugh, North Zone Team Leader, at the Forest Supervisor's Office or by phone 208-935-4260. This document is also available online at:

Sincerely,

CHERYL F. PROBERT
